

4-Stroke

# TEKMA MEGA

## 15W-40

### SPECIFICATIONS

**Product**

TEKMA MEGA

**Feature**

Features superior anti-oxidation, anti-corrosion and anti-foam properties. Extends lifespan of engine and keeps it clean.

**SAE/DOT Standard**

15W-40

**Specification**

API CH4/SG &amp; ACEA E5/E3

**Maker's Approval**

MB228.3, MAN M 3275, MTU Type II, Cummins 20071/20072, RVI RD/RLD, MACK EOM, MACK EOM Plus & Volvo VDS2.

**Compatibility**

All types of low emission European and American naturally aspirated or turbocharged diesel engines and in compliance with EURO II, EURO III and US regulations.

A super high performance diesel lubricant with a viscosity grade of 15W-40, TEKMA MEGA is specially formulated for engineering and farm machinery with low emissions. TEKMA MEGA 15W-40 ensures engine protection and longevity with its superior detergent, dispersive and anti-oxidation properties that protect engines from soot formation, piston deposits and oil filter plugging.
